GRAY THOMAS CHAIRMAN HELP OF SUMMERVILLE

An early 1900s Jewish immigrant from Ukraine continues to impact his adopted community.

Help of Summerville, a small but potent 47-year-old nonprofit organization, is the recipient of a special Saul Alexander Foundation Impact Award that is managed by Coastal Community Foundation.

Mr. Alexander's humble beginnings grew to enable the trustees of his will to establish this foundation created to benefit the community that served him so well.

Help of Summerville gives financial assistance, food and clothing to families in crisis in the tri-county area. Ultimately, the organization will use these funds to build bridges in the community by expanding the scope of our outreach activities directed toward community residents, local service agencies and businesses.

Plans are to upgrade furnishings for our one-room office space and to facilitate more effective use of computer technology.

Help of Summerville is dedicated to impacting our community as well as honoring the legacy of Saul Alexander.
